Field Trips

After School Karate

ELEMENTARY & MIDDLE SCHOOL

SUMMER CAMP GYMNASTICS

- Free transportation from your school to ours.
- We have a great facility just minutes from I-85 and Pelham Rd. on Garlington Dr.
- NO EXTRA COST for our all-Day Camps (7:30am to 6:15pm) during county-wide teacher work days and some holidays.
- Week-by-week commitment: pay nothing if you miss the whole week; pay less for only coming one or two days.
- Students will get daily homework, snacktime, exercise, learn discipline, manners, respect for teachers and parents as well as other students and themselves. They will learn self defense and temper management (how to win & how to lose gracefully.) Most importantly, they will learn self esteem through earning belt ranks and skills.
- We offer a year-round program that includes Christmas, Spring Break, Fall Break, and Summer Day Camps. FREE field trips are at no extra cost. You can deduct the After School Karate and Summer Camp from your taxes the same as child care.
- Exclusive "Code of the Dragon" awards for all students. This is a behavior program monitored by the parents and school teacher. Students must perform well outside of Karate class to advance in rank!
- Our elite royal art of Hapkido consists of learning Karate, Judo, and Gymnastics.

A meaningful Enriching Supervised Activity that's less expensive than daycare. "Your program is worth a million dollars."

Denise Wheeler, 4-C's Child Care Coordinating Council.

"Your program is outstanding and your staff are extremely positive role models."

Mr. Richard C. Light, Superintendent.
